Term Four is proving to be a very busy one. Students are enjoying activities with other schools, both O’Connell and Black Springs. Swimming is definitely a highlight of the week and students are improving every week. Another cause to celebrate is the reading achievements of all students. We are very proud of our reading program and students are keen to keep improving. Thankyou to parents who are encouraging their children to read at home...It is making a difference!

As we look forward to 2016 our students will be researching and identifying ‘leaders’. Over the coming weeks our Primary students will be preparing a small speech to express their leadership qualities. All students and staff will vote on leaders for next year. This is a very exciting process for everyone involved. School Leaders for 2016 will be presented on Presentation night.

**Staffing:**
*It has been confirmed that Mrs Hill will be continuing as Principal in 2016.*

**Staff Training:**
*Miss Hattie will be completing her Behaviour in the classroom course.*
*This week Mrs Hill will be working with Oberon PS around Quality Teaching and next week at Bathurst South PS working on Mathematics.*

Our school community will be reviewing our School Plan and setting our goals for the coming year over the next few weeks.

---
