Hello to our Burraga School community.
Thank you, to the students, staff, family and friends who have made my first week a wonderful experience. Mrs Hill.

What’s happening in Term 3, 2015
Ms Stephens has taken on a Best Start position with the DoE and may return for visits throughout the year. We wish her well in her new position. She will return next year.

Mrs Hill will be Relieving Principal and working on class with Miss Hattenfels on Numeracy and Literacy Programs. We will both be having fun in the afternoons with a range of other Learning Experiences.

A few changes are occurring in the classroom. Both students and teachers are excited about the concept of NO WORK, ONLY LEARNING. We are focusing on a positive learning culture, developing goals and learning strategies to succeed. We are learning about how we learn as individuals and together. This is continuing the Bathurst Small Schools HOW2Learn Program, which Mrs Hill has been involved in with her previous school.

The date has been set (Week 10, Term 3) for the Burraga School Choir to perform at the Bathurst Eisteddfod in September. This will be a wonderful opportunity for all students.

Mrs Sargent will be finishing with us on Friday 21st August. We thank her for her hard work and dedication to our students and school.

UNIFORM AND HATS
Please remember that even in the Winter months hats need to be worn as the sun can still be very damaging (although Beanies may be more appropriate some days!)

Please ensure students are wearing school uniform every day. It is important to take pride in our school. On excursion students are expected to be in full school uniform. Sports uniform can be worn on regular school days. If you require more uniforms or need to check what is appropriate please see Mrs Hill or Mrs Stewart.

HEALTHY EATING
Please ensure students are bringing HEALTHY lunches and snacks to school. The food that children eat is directly related to their energy levels, behaviour and ability to learn. The national health guidelines have a “Go for 2 and 5’ kids website: http://www.gofor2and5.com.au/ to help families plan healthy lunches. Some ideas are: carrot sticks, yoghurt, dip (hommus) and cheese, cucumber, brown breads and whole grain crackers. Please AVOID package foods as they are high in salt and sugars.

DATES TO REMEMBER
August 11th- Healthy Harold- Rockley
August 14th- P&C Meeting- 2pm at school
August 24th- Book Week Dress Up and VC
August 29th- Burraga Sheep Show
